Terms and Conditions of enrolment

Billy Blue School of Graphic Arts William Blue School of Hospitality, Tourism and Leisure Management

1. Students may apply for RPL (recognised prior learning) and/or credit(s) from previous studies. These are assessed and approved by the Head of School.
2. Accepted students are enrolled into the first year of the course for which they have applied unless they have been granted RPL and/or credit(s).
3. Under exceptional circumstances, and at the discretion of the Head of School, a student may be allowed to start a course up to three weeks (including orientation week) after the published course start date. Later arrivals will need to defer to the next semester. A late fee of \$A250 per week may be charged.
4. Progression to the next academic year is based on your academic results.
5. Any student applying for direct entry into the second year of a course will be charged the published fees for the year they are entering.
6. At the discretion of the Head of School, a student who fails to complete a semester of any academic year may apply and be permitted to re-enrol in that semester. Under the National Code of Practice, 2000, students who fail more than one semester are not able to continue with the course. This is also reflected in the college's academic policy.
7. Before a semester can be repeated, the tuition fees in relation to the repeat semester must be paid in full. A student repeating semesters one or three may apply to have any balance of the fees paid from the previous academic year transferred. Such a transfer, if approved by the college, will only apply to future semesters of study and will not be applied to the semester being repeated and under no circumstances will a refund be considered.
8. All tuition and associated course fees for the academic year must be paid no later than two weeks prior to the course start date.
9. Unless exemptions are granted for RPL and/or credit(s) which are equal to a full semester or academic year, no adjustment to tuition fees will be made.
10. A student who does not meet their financial obligations throughout their enrolment may be suspended from training until they have paid the fees due.
11. A student who completes their course but has not paid all the fees for that course will not be issued with their transcripts or qualifications until such monies have been paid in full.
12. Acceptance into the Bachelor or Master programs will be confirmed once all entry requirements are met and payment of \$A500 fee deposit has been received.
13. Fees shown on this application form apply exclusively to the 2007 enrolment period.

Deferring your studies

Applications for deferment are accepted at the college's discretion. The maximum period of deferment is two semesters.

If you apply to defer your studies 28 days before you start your course, your fees will be transferred to the next semester.

There is no deferment of fees for semesters two and four.

You are unable to transfer your fees or receive any refunds if you apply to defer your studies after your course has started.

Refund policy

1. If your enrolment is terminated because you were not granted a Student Visa, then all fees will be refunded less a processing fee of \$A150. This is subject to submission of documentary evidence from the relevant Australian government department that the visa was refused.
2. If you notify the Admissions Office of your intention to withdraw up to 14 days before the start of the academic year, then all fees except \$A1,000 from the enrolment deposit will be refunded.
3. If you withdraw for any reason within 14 days before the start of the academic year, or if your enrolment is terminated because of a failure to comply with college policy, bad behaviour, unsatisfactory progress, failure at examinations or unsatisfactory attendance, then all fees for the full academic year remain payable and are not refundable.

As a registered provider Billy Blue College will pay a refund to students in the following circumstances:
 - a) Refund for provider default: In the case of a default by Billy Blue College under the 'Terms and Conditions' in this application form, Billy Blue College will refund all paid tuition fees on a pro-rata basis within two weeks of the date of default. Billy Blue College will also give the student a statement that explains how the refund amount has been calculated. (Provider defaults can include the course not starting on the agreed starting day; the course ending before it's completed, or the course not being provided in full to the student.)
 - b) Refund for student default: In the case of a student default, Billy Blue College will make a refund to the student according to the 'Terms and Conditions' outlined in this application form. The terms and conditions are consistent with Sections 42 - 44 of the National Code. Any refund will be paid within 4 weeks of receiving a written claim from the student.
