# Streamlined Visa Processing at Lexis English

Students at Lexis Brisbane, Lexis Noosa and Lexis Sunshine Coast who are studying EAP as a pathway to a University of the Sunshine Coast Bachelor, Master's or PhD program may be eligible for Streamlined Visa Processing. Enquire with the school or with your agent to find out if this applies to you!

## Streamlined Visa Processing

Streamlined Visa Processing (SVP) is an initiative that was implemented in 2012 by the Department of Immigration.

Under this arrangement, student visa applicants who are eligible for the SVP are assessed for their visa as though they were a low immigration risk (similar to the current Assessment Level 1), regardless of their country of origin. This substantially reduces the amount of documentation required and the length of time it takes to issue the student visa.

# Working Students

## Hitomi | Japan (Brisbane)

"Hello! I'm Hitomi from Japan and I'm studying General English here at Lexis Brisbane for 17 weeks. I'm working as a waitress in a Japanese restaurant. I found the job on a website. At first, I thought that I could only be a kitchen-hand because my English wasn't good. But when I went to the restaurant, the kitchen was full and they needed a waitress, so I said, 'Ok, I'll try'. I've been working there for three weeks. Sometimes I don't understand the customers, but they are very kind and friendly to me if I make a mistake, so I'm happy. I will stay in Australia for one year, or maybe two years. Here, I am experiencing a different culture and a different life. I will take this experience back to Japan with me. And, of course, I will be able to speak English very well!"

## Aishwarya | India (Perth)

"Hi everyone, my name is Aishwarya. I am from India. I have been in Perth since August and am currently studying in the Intermediate class. My classmates are very kind and very friendly. I really like my teacher Sonya, in my opinion she's a great teacher. I also have a job here in Perth. I work on the weekends cleaning houses. I found the job through gumtree (website), which is a good resource. I like the location of the school. It's lovely in summer and so close to the beach. When I have free time after school I often go down to the beach which is amazing. I'm really happy here!"

## Enrico | Italy (Byron Bay)

"My name is Enrico and I come from Turino, Italy. I am studying General English for 6 months and am very happy in Byron Bay. I really like my teachers because they have a great attitude towards teaching English and they capture my attention in class due to their unconventional teaching style. I am currently working at the moment as an 'Abbajuor' or a Sous Chef at an Italian restaurant in Byron. Finding work depends on your experience and your personality and sometimes a little bit of luck. I also worked in Byron two years ago in 2011. One day, I want to mix my tradition and technique with the food found in the Australian natural environment - this will be a new world. I am very interested in educating people about food and I want them to understand that food should be part of their ancestral history and their story too."

## Jean-Sebastien | France (Noosa)

"I am from the North of France in a city called Lille, which is close to both Paris and Belgium. I have studied full time general English at Lexis Noosa for two months and have another month to go. I started my course at an intermediate level and thanks to my great teachers, have now progressed to an upper-intermediate class. The Lexis job workshop was very useful for me and at the end of the workshop; my teacher Phil got me a job interview. I am currently working as part of the Noosa Food and Wine Festival, which is one of the biggest events in Noosa with over 30,000 people attending. I work as a waiter and also assist with food preparation. My job is great because I get to meet a lot of new and interesting people and also learn new things!"
