Our Colleges' International Reputation

The South Australian College of English (SACE Adelaide), the first SACE College, was established and accredited in 1987 and is one of Australia's oldest independent English Language Schools.

SACE is proud of its worldwide reputation for excellence gained through many years of experience. SACE is renowned for:

- the provision of a broad range of English language **courses** of exceptional quality,
- the quality of **our professional and highly skilled teaching staff** who are carefully chosen for their ability to engage students in a stimulating learning environment. They are cheerful, friendly and caring,
- **service to students** including the SACE 'special care' homestay programme, counselling, and assistance to meet student needs in a caring and friendly environment,
- **innovation and flexibility in the choice of programmes.** SACE pioneered in Australia programmes such as Demi-Pair, English and Volunteering, and English and Work Experience,
- a good **balance of nationalities** from more than 30 countries in Europe, Asia and Latin America.

SACE is also recognised for providing **teacher training** courses for native and non-native speakers of English. SACE is one of the few Colleges in Australia approved to conduct University of Cambridge Certificate Courses (Certificate in English Language Teaching to Adults). SACE graduates are found teaching in universities and English colleges around the world.

Our College **linkages with leading Australian high schools, universities and colleges** enable the Colleges to organise pathways for further study and appropriate educational counselling to students on completion of their English Course in Adelaide, Hobart or the Whitsundays.

Future study and career enhancement, or travel and fun in the sun, SACE courses and College locations can help dreams to come true.
