# YOUR PATHWAY TO SUCCESS

La Trobe Melbourne is your pathway to a degree at La Trobe University. La Trobe Melbourne is part of the global Navitas Group, an internationally recognised education provider with the knowledge and resources of staff in more than 50 different colleges and campuses worldwide.

La Trobe Melbourne offers English language programs and academic pathways to La Trobe University undergraduate degrees. The college provides a complete university experience within a personal, supportive environment at one of Victoria's leading universities. We look forward to welcoming you to the college community.

## Message from the Vice-Chancellor of La Trobe University

La Trobe University is an internationally recognised university, consistently ranked among the top 500 universities in the world since 2003 (Academic Ranking of World Universities). The Times Higher Education World University Rankings 2011–2012 ranked us within the top 400 universities, and the QS World University Rankings 2011–2012 placed us at 317 globally.

La Trobe offers a wide range of disciplinary and professional degrees; we offer students an extensive range of enrichment experiences within, or alongside, assessed curriculum; and we have initiated a program of curriculum redesign through Design for

Learning, which promotes the quality and coherence of learning experiences in all of our degrees. Our graduates enjoy excellent employment outcomes in a diverse range of companies, as well as government and community organisations within Australia and around the world.

I encourage you to consider La Trobe Melbourne as your pathway to La Trobe University and invite you to contact us with any questions you may have.

# Melbourne: the world's most liveable city

As well as being the capital city of Victoria, cosmopolitan Melbourne is widely regarded as Australia's cultural capital. A city famous for its restaurants, nightlife, fashion and architecture, Melbourne is also the venue for many international sporting events and arts festivals. It is a warm, friendly and multicultural city that is serviced by an excellent public transport network.

Located in south-east Australia on a beautiful inland bay, Melbourne is the gateway to many places of natural beauty around Victoria. Dramatic coastlines, deserts, snowfields and mountains are all an easy drive away.

Melbourne's charm, elegance and cultural appeal, as well as its mild climate and relaxed lifestyle, make it an ideal place to live, work and study.

## Climate

South-east Australia experiences summer from December to February, autumn from March to May, winter from June to August and spring from September to November. Melbourne's weather can sometimes be surprisingly unpredictable, however, and is often referred to as having 'four seasons in one day'.

# La Trobe Melbourne

La Trobe Melbourne offers world-class academic and English language programs in a beautiful, natural environment. La Trobe Melbourne delivers Foundation Studies, English language programs and three Higher Education diplomas in Bioscience, Health Sciences and Mass Media and Communications on behalf of La Trobe University. It also delivers two Higher Education diplomas in Business and Information Technology as a registered Higher Education Provider.

La Trobe Melbourne is located at the picturesque La Trobe University Melbourne campus. The college offers a supportive learning environment with small class sizes designed to enhance the success rate of our students, as well as using the latest learning and teaching technologies.

The college has a global reputation for providing high-quality student services. All La Trobe Melbourne students have access to on-campus counselling, as well as job-seeking and accommodation support.

Facilities at La Trobe Melbourne include a fully resourced Independent Learning Centre, computer and language laboratories, a study hall, a cafe and student common areas with billiard and table tennis tables.

La Trobe Melbourne students also have access to the full range of La Trobe University facilities including a medical centre, the university library, computer laboratories, study halls, the sports centre, clubs and associations, in addition to social and cultural events and activities.

## Academic pathway benefits

- **Campus life:** You will have a true university experience, with access to La Trobe University facilities.
- **Three-trimester system:** La Trobe Melbourne has three intakes each year, in February, June and October. This means you can begin your studies at a time that is convenient for you.
- **Personalised attention:** Our class sizes are smaller than at university, with an average of 25 students. This means you will receive a high level of individual attention from your teachers.
- **High-quality university curriculum:** Our diploma programs are moderated and quality assured by La Trobe University. The diploma programs are equivalent to the first year of a university degree program, but with smaller class sizes and increased academic contact. Students at the college generally perform as well as, or better than, other students in their degree.

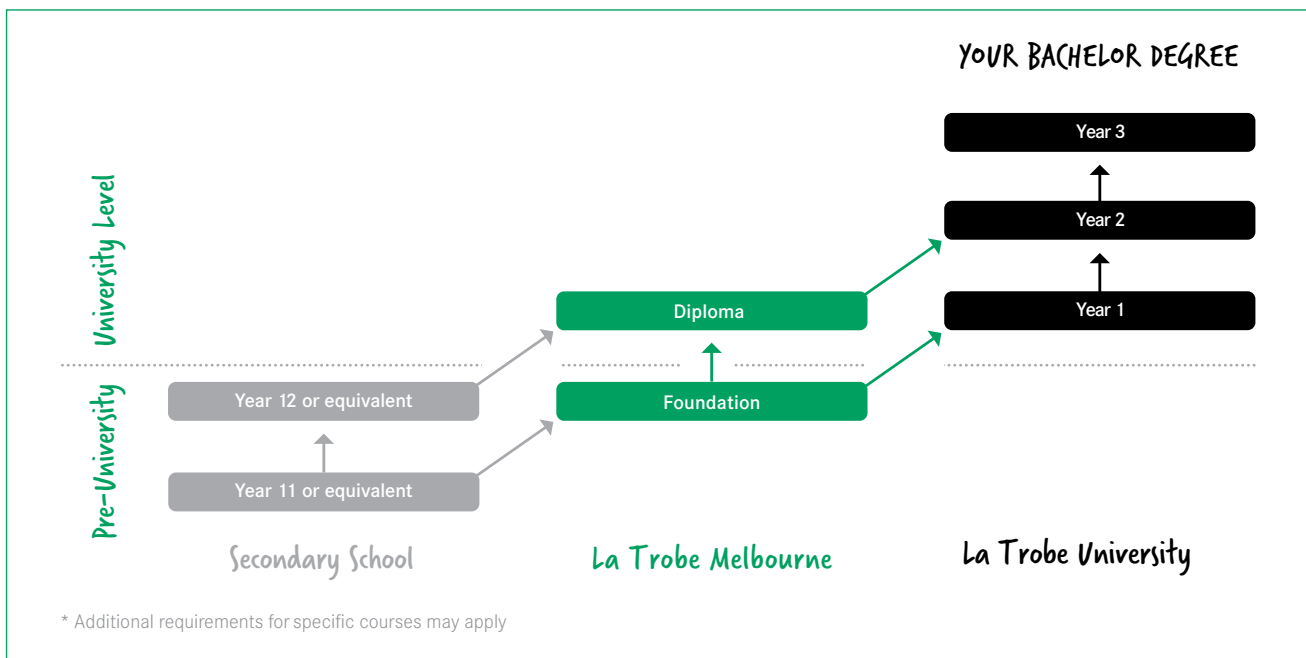

- **Progression to university:** After successfully completing a Foundation Studies or diploma program at La Trobe Melbourne, you will be offered a place in a corresponding bachelor's degree program at La Trobe University. Additional course requirements may apply. This system allows you to earn a diploma on the way to your bachelor's degree.
- **Value for money:** Our program fees are competitive, which ensures you receive the maximum return on your educational investment.

## English language programs

La Trobe Melbourne offers General English and English for Further Studies (Academic English), as well as short courses, study tours and specialised professional development programs.

## English program benefits

- **Experience and diversity:** Since 2010, La Trobe Melbourne has been operated by Navitas and is delighted to continue a 38 year history of English programs being delivered as a pathway to La Trobe University. It has one of the most culturally diverse student bodies in Australia, and you will have the chance to make friends from over 50 countries.
- **Flexible study options:** Our English classes begin every five weeks, which means you can commence your studies at a time that best suits you.

# La Trobe University

La Trobe University has six campuses throughout Victoria, with its main campus based in Melbourne. Its main campus is on a 267-hectare site in Bundoora, and is one of the largest and most attractive campuses in Australia. With a population of over 21,500 students, this cosmopolitan campus also has one of the most diverse international student bodies in Australia.

La Trobe University facilities include on-campus accommodation, a sports centre, a medical centre, a wildlife sanctuary, shops, banks, a cinema, restaurants and cafes. The campus is located 14 kilometres (45 minutes by public transport) from Melbourne, and it is well serviced by buses, trains and trams. For more information about local transport, visit [metlinkmelbourne.com.au](http://metlinkmelbourne.com.au).

## You will be studying at a university with an outstanding reputation

La Trobe is an internationally recognised university, consistently ranked among the top 500 universities in the world since 2003.\*

In Australia's 2009 Good Universities Guide, La Trobe University received four-star ratings in seven areas including 'positive graduate outcomes' and 'overall satisfaction'. In the Times Higher Education – QS World University Rankings for 2011, La Trobe University was ranked among the top 100 universities worldwide for Arts and

Humanities. The university's biochemistry and cell biology research was rated above world standard in the 2010 Excellence in Research for Australia (ERA) report.

## La Trobe University courses are internationally recognised and professionally accredited

Many professional bodies are affiliated with La Trobe University academic programs. These include:

- Association of Chartered Certified Accountants (UK)
- Australian Computer Society (ACS)
- Chartered Financial Analyst Institute (USA)
- Engineers Australia
- SAP University Alliances Program

## World-leading research

The university has research partnerships in place with leading organisations worldwide, including Microsoft; DuPont; NEC Corporation; Amgen; and Becton, Dickinson and Company. La Trobe University has research links with more than 80 universities internationally. The Australian Government recently awarded the university A\$123.7 million to establish the La Trobe Institute of Molecular Science and the La Trobe Rural Health School. Also, in 2012 La Trobe University's new AgriBio facility will become fully operational – this A\$288 million joint venture with the Victorian Government will attract the world's leading scientists and give students access to the most advanced technologies in the field of agricultural bioscience.

# Diploma programs

La Trobe Melbourne offers diplomas in Business, Bioscience, Health Sciences, Information Technology and Mass Media & Communications. These programs aim to prepare students for entry into second year of a relevant bachelor degree.

An undergraduate pathway program at La Trobe Melbourne is your link between your previous study and a university degree.

Our programs are designed to provide alternative entry to a bachelor degree at La Trobe University.

## Mode of study and assessment methods

Diploma programs comprise eight academic units and each unit includes at least four hours of class contact per week. The standard duration for a diploma is three trimesters (12 months). You will usually study three units in the first trimester, three units in the second trimester and two units in the third trimester. However, it is also possible to fast-track your studies to complete the diploma in two trimesters (eight months) by studying four units in each trimester. Each trimester includes 13 weeks of teaching and one week for final examinations.

Assessment for all units is continuous, and includes tests, assignments and case study analysis. Most units have a final end of

trimester examination as a component of their assessment. All diploma programs are assessed and quality assured by the related faculty at La Trobe University.

## Diploma programs

Diploma programs at La Trobe Melbourne offer an alternative pathway to undergraduate degree study. If you successfully complete a diploma program and meet other additional entry requirements, you will receive credit equivalent to the first year of a corresponding degree at La Trobe University. You will then be eligible for direct entry to the second year of that degree.

La Trobe Melbourne offers the following diplomas:

- Diploma of Bioscience
- Diploma of Business
- Diploma of Information Technology
- Diploma of Mass Media and Communications
- Diploma of Health Sciences

Note: Laboratory sessions in the Diploma of Health Sciences and the Diploma of Bioscience are conducted at La Trobe University. The Diploma of Mass Media and Communications uses the facilities of the TV studio at La Trobe University.

## Advanced standing

If you have successfully completed university subjects at another institution, you may be eligible for credit transfer (maximum of four diploma units). To be eligible for advanced standing, your completed units must be:

- equivalent in content and standard to the units offered by La Trobe Melbourne
- relevant to your planned program of study

## Progression to La Trobe University

To be eligible to enter second year of your degree, you must receive at least a pass (50 percent) in each subject, or higher if otherwise stated.

# Your English language preparation

La Trobe Melbourne delivers a range of English Language Intensive Courses for Overseas Students (ELICOS) on behalf of La Trobe University.

These include:

- General English
- English for Further Studies (Academic English)
- English programs for specific purposes such as:
  - study tours
  - short courses
  - professional development
  - learning support sessions

During your English studies you will have access to La Trobe Melbourne's Independent Learning Centre (ILC), student advisory and support services, computer and listening laboratories, as well as La Trobe University's campus facilities. Your learning experience in Australia will

be further enhanced through field trips and excursions, cultural studies and social activities.

## General English

This program covers everyday English at all levels. It also includes excursions and social and recreational activities.

By completing this course you will:

- develop your core communication skills (speaking, listening, reading and writing)
- increase your vocabulary
- improve your grammar
- learn computer skills
- enhance your listening skills through specialised listening laboratories

## English for Further Studies (EFS)

The English for Further Studies (EFS) program focuses on critical language and academic skills development. It is also aimed at students seeking direct entry to a Foundation Studies program, diploma, undergraduate degree or postgraduate degree.

In this program you will learn vital English language and study skills, develop independent study techniques and become familiar with Australian academic settings. You will also gain an understanding of student-lecturer relations and expectations through:

- library and project research
- academic reading, listening and note-taking
- presentations and public speaking
- academic essay and report writing
- critical thinking and analysis

# English program entry requirements

Students will be placed in an English program level based on evidence of an English language test such as IELTS, TOEFL or Pearson's. For EFS students, the table below indicates the English score required, for

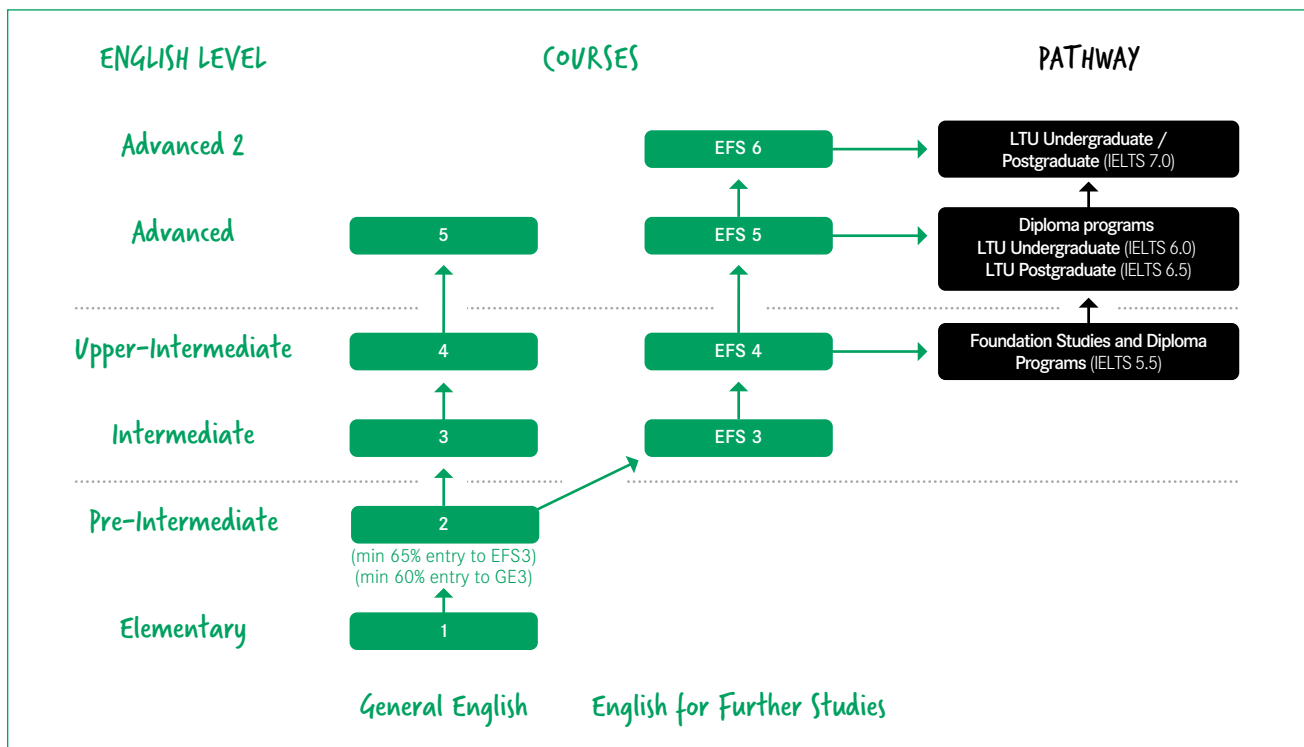

undergraduate and postgraduate programs, from a range of tests to enter the appropriate level at La Trobe Melbourne to study English.

As a general rule, a minimum of ten weeks of study is required to complete each EFS level.

English level	IELTS		TOEFL iBT		Pearson's		Exit to
	UG*	PG†	UG	PG	UG	PG	
EFS 3	4.5 (minimum writing score 4.5)	5.0 (minimum writing score 5.0)	47	55	38	40	-

\* UG = Undergraduate placement. † PG = Postgraduate placement.

## English program steps

## Learning support sessions

English language students can participate in a range of learning support sessions to enhance their skills. These optional sessions are held every day Monday to Friday and can be taken in addition to your core classes. The sessions will help you improve your English in all skills areas, within a relaxed interactive environment.

Session topics include:

- Academic Writing
- English through Drama
- IELTS Preparation
- Listening through Song
- Paraphrasing and Summary Writing

- Reading Skills
- Ready for Work?
- Speaking Skills
- Sport
- Using the Media to Learn English
- Vocabulary for Academic Writing

# Navitas bursaries and scholarships

## Navitas family bursaries

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.\*

The first family member can be studying with a Navitas member institution at the same time as other family members, or they may have previously studied with any Navitas member institution. The bursary is granted to the second and subsequent family members who study with a Navitas member institution. For the purpose of this bursary, a family member is defined as a husband, wife, brother, sister, mother, father, son, daughter or stepchild.

The bursary is equivalent to 10 percent of tuition fee for the first attempt at units or courses in the program of study (ie a certificate, diploma, University Transfer Program (UTP), University Pathway Program, bachelor's degree, pre-master's program, postgraduate qualifying program or master's degree)† with a Navitas member institution (excluding the Mixed English option).‡ This amount is credited to the eligible student's tuition fee account each academic term, with the amount being relevant to the number of units undertaken in that term. The bursary applies to the first program of study only undertaken at a Navitas member institution and does not apply to additional units or repeat units that may also be undertaken.

A completed application must be submitted to the Navitas institution where the second family member is studying, together with supporting documents such as a birth certificate or family card.§ Application forms can be obtained from the Navitas institution where the student has enrolled.

\* The Navitas family bursary applies to students studying at ACBT, ACN, AUSI, BCUIIC, Curtin College, Curtin Sydney, Curtin Singapore, CRIC, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, LIBT, Macquarie City Campus, MIBT, MIBT Indonesia, NIC, PIBT, PUIC, QIBT, SAIBT, SIBT, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU and Navitas at UNH only.

† Certificate programs may also be known or registered a Foundation Studies or University Transfer Program Stage I. Diploma programs may also be known or registered as Undergraduate Pathway, University Transfer Program Stage II or University Pathway Program.

‡ The Navitas bursary is not applicable to any English language program or any component of an English language program offered by a Navitas member institution.

§ The supporting documentation that is required will depend on the country where the student is enrolled.

## Navitas academic merit scholarships

Navitas is committed to helping students achieve their career goals by offering scholarships to outstanding students.\*\*

Navitas academic merit scholarships are awarded each term by each Navitas pathway college or managed campus. Two students with the highest GPA in four or more subjects or courses will each receive a scholarship.

The scholarships cover:

- one academic term or part thereof at a Navitas member institution (equivalent to the tuition fees for a maximum of up to five academic subjects or courses) for:
  - a diploma, advanced diploma or associate degree (Australia)
  - UTP Stage II or associate degree (Canada)
  - UPP or IUTP (United States)
  - undergraduate pathway program (United Kingdom); or
- one semester of undergraduate study at ACN, Curtin Sydney, Curtin Singapore or Macquarie city campus; or
- one semester of a master's program at Curtin Sydney, Curtin Singapore or Macquarie city campus.

The scholarships are applied to the tuition for the second term of enrolment only or the final semester of study in an undergraduate or postgraduate program. Students must be enrolled as a full time student to qualify for the scholarships.

The scholarship panel from each Navitas member institution will announce the recipients of the Navitas academic merit scholarships upon the completion of each term and the release of the results. The recipients will be notified by mail and the successful students posted on the college website by consent. Students are not required to apply for the scholarship, as it is awarded based on academic performance and all students are eligible.

## Scholarship policy

1. Two scholarships for one academic term's tuition are offered at all Navitas member institutions each.
2. Where the Academic Assessment Committee must differentiate between equally qualified applicants, additional factors such as educational disadvantage, membership of a specific equity group and/or significantly adverse personal circumstances may be taken into account.
3. Students are eligible to qualify for the scholarships after successful completion of their first term and after commencing their second term.
4. Students can only be awarded the scholarship once.
5. Students already in receipt of a scholarship may not be eligible for the Navitas scholarship.
6. Students are required to pay for any additional courses or subjects or courses undertaken that are over the amount covered by the scholarship.

\*\* Navitas academic merit scholarships are offered to students studying at ACN, Curtin College, Curtin Sydney, Curtin Singapore, CRIC, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, LIBT, Macquarie City Campus, MIBT, MIBT Indonesia, NIC, PIBT, PUIC, QIBT, SAIBT, SIBT, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU and Navitas at UNH only.

This information is correct as at the time of printing and may be subject to change without notice or at the discretion of Navitas member institutions or Navitas Limited.

# Your accommodation

La Trobe Melbourne can arrange accommodation for you before you arrive in Australia. Options include homestays, on-campus accommodation and off-campus accommodation.

For further information about other accommodation options, please visit [latrobe.edu.au/accommodation](http://latrobe.edu.au/accommodation) or contact the La Trobe Melbourne Accommodation Office by telephoning +61 3 9479 2417 or [accommodation@latrobemelbourne.edu.au](mailto:accommodation@latrobemelbourne.edu.au).

## On-campus accommodation

### Residential colleges

La Trobe University offers a variety of accommodation options on campus, which are available to La Trobe Melbourne students. These include Chisholm, Menzies and Glenn residential colleges. Meals may or may not be included in the weekly cost (see table below).

### Students under 18 years of age

Students under the age of 18 are required by the Australian Department of Immigration and Citizenship to have appropriate accommodation, support and welfare arrangements in place.

All students aged under 18 who have nominated La Trobe Melbourne to be their carer and are issued a Confirmation of Appropriate Accommodation and Welfare (CAAW) are required to live with a La Trobe Melbourne-approved homestay host on full board until they turn 18. These students are also required to pay a carer fee.

For information on conditions of enrolment, please visit [latrobemelbourne.edu.au](http://latrobemelbourne.edu.au).

# Student services

La Trobe Melbourne provides a comprehensive range of services and facilities to ensure that you receive the best possible learning experience.

## Orientation

La Trobe Melbourne hosts a series of activities and programs to welcome our new students to the college. Be sure to bring your La Trobe Melbourne letter of offer to orientation, along with your passport and address details.

During orientation you will:

- enrol and receive important information about your program
- meet La Trobe Melbourne staff and students
- be introduced to the range of available services and facilities
- attend information sessions that focus on topics such as accommodation, safety and health cover – all designed to help you settle in to your new environment

## Facilities

As a La Trobe Melbourne student you will also have access to the following facilities and resources:

- five computer laboratories with 90 terminals
- wireless connectivity across the college
- a large Independent Learning Centre (see below)
- online study support materials
- a student lounge and cafeteria
- two interactive language laboratories
- common areas with billiard and table tennis tables
- prayer facilities
- a free campus shuttle bus

You will also have access to La Trobe University's broad range of campus facilities, including a study hall open 24 hours a day, a sports centre, library, medical centre and cinema.

## Independent Learning Centre

The Independent Learning Centre (ILC) offers a wide range of learning resources for all levels and interests. Students can access a variety of resources online and from the shelf to support their learning. Resources include text and reference books, reading books, DVDs and online materials. With space for 100 students, the ILC also features private study booths and 60 computers.

Small group activities and individual consultations provided by the dedicated ILC teacher can help students focus on their learning needs, find resources and develop the learning approaches and strategies to help them progress as independent students. All La Trobe Melbourne students receive a detailed introduction to the ILC and are encouraged to use it as part of their daily routine at La Trobe Melbourne.

## Social program

All La Trobe Melbourne students have access to La Trobe University's recreational facilities, events, and student clubs and associations. There are also many social activities throughout the year including class excursions and college events. Fees may apply for some activities.

For more information about campus life, visit [latrobe.edu.au/life](http://latrobe.edu.au/life).

## Airport arrival service

When you arrive in Australia, you can be met at Melbourne airport and taken to your accommodation, anytime day or night. See page 16 for details on how to book this service.

## Student counselling

Our student counsellor is available if you face any issues related to studying and living in Australia. If required, you can also be referred to a professional counsellor via the University Counselling Service. Our counsellors can help with a range of issues, such as:

- cross-cultural communication
- adjusting to a different way of life
- motivation

## Employment services

La Trobe University's Career Hub provides career and job-search advice to students. Career Hub offers an online job-search register, employment links and news, and services to help you build a CV, improve your interview skills or prepare job applications.

Visit [latrobe.edu.au/careers/students](http://latrobe.edu.au/careers/students) for more information.

## Health insurance and medical services

If you are on an international student visa, you are required to have Overseas Student Health Cover (OSHC) for the duration of your visa. OSHC insures you against many medical costs, not including dental treatment. If you are not on a student visa, you should ensure you have appropriate medical insurance.

Allianz Global Assistance is the OSHC provider for La Trobe Melbourne. A representative visits the college every week to assist students with enquiries and refunds. During orientation, the representative will explain how OSHC works for international students. For more information, visit [oshcworldcare.com.au](http://oshcworldcare.com.au).

Medical services are also available at the La Trobe University Medical Centre on the main campus.

## Children's Centre

La Trobe University's Children's Centre provides sessional childcare for students' children under five years of age. Places are limited, and should be booked in advance. For fees and conditions, visit [latrobe.edu.au/child](http://latrobe.edu.au/child).
