- If you commence a TAFE course before your student visa application has been processed and it is subsequently rejected, a pro rata refund of tuition fees paid will be made.
- TAFE NSW will **refund 90 percent** of the tuition fees paid if you withdraw from your vocational course 4 weeks (28 days) or more before course semester commencement, except where you have applied for a packaged English language and vocational course, where the English language fees have been charged at the lower rate of A\$300 per week. - TAFE NSW will **refund 80 percent** of the tuition fees paid if you withdraw from your vocational course within the final 4 weeks (28 days) before the course semester commencement, except where you have applied for a packaged English language and vocational course, where the English language fees have been charged at the lower rate of A\$300 per week. - If you obtain a deferral of the vocational component of your combined packaged course and then do not enrol for it, the refund policy relevant at date of deferral will be applied to any pre-paid fees.
- Processing fee, accommodation placement, guardianship and airport reception fees are not refundable.

The complaints procedure contained in these terms and conditions of enrolment is available to a student in the event of a grievance in relation to a claimed refund. However, this agreement and the availability of complaints and appeals processes does not remove the student's right to take further action under Australia's consumer protection laws or pursue other legal remedies.

Refund Procedures

- You must complete a **TAFE NSW Refund Application Form**.
- Your refund will be processed within **4 weeks** of receipt of your completed refund application if it includes all the required documents.
