

## quick facts

GV Noosa: Relaxed, friendly and genuinely international

"Noosa is an amazing place. For me it was the perfect place to stay and to learn

English because there are many activities to do. It is a small town and felt safe; it also suited the lifestyle I wanted to experience while I was in Australia."

—Ayako, Japan

### School Location

## Welcome to GV•Noosa

"Welcome! GV Noosa is a great place to study – it is safe, it has a sunny, sub-tropical climate, fantastic beaches and surf and a happy, relaxed Australian lifestyle. Our host families are the best – they are friendly and they enjoy hosting international students. Our teachers are great, our classes are small and our students get excellent results. And they enjoy it!"

— Peter Hocking, General Manager

Noosa - Highest quality tuition, sun, sand and surf!

## Why Noosa?

Noosa's climate is sub-tropical. The winter is warm and sunny at about 22°C, and summer temperatures are usually less than 30°C. Surfing, swimming and other water sports are available throughout the year. Living costs in Noosa are low and the lifestyle is casual, cosmopolitan, pleasant and multi-cultural. Noosa's natural beauty and climate invite locals and visitors to enjoy a healthy outdoor lifestyle. Regular visits from Noosa's most famous locals—wild Koalas, Dolphins and Whales—offer a unique window into Australia's natural heritage.

### What makes GV•Noosa unique?

- 10 years experience in offering high-quality English language courses in a truly international study environment
- Ideal location: Walk to beaches, shops, restaurants, pubs and cinema
- Range of courses including academic, activity and recreational options
- Outstanding homestays and wide range of alternative accommodation options
- Pathway options for further study at High School, TAFE and University
- Professional, yet small and friendly. Real focus on the needs of each student.
