

APC Activity Update

Come with your APC classmates to one or more of the events. Have fun! Cheapest student deals (low \$\$). Geoff (Activities Officer) will be your tour leader. Mob 0425 203 253

1 Thursday 26th June

Choose Oztrek show and walk at the top of Australia's tallest building (Centrepoint Tower) \$12.50 (Much cheaper than the \$19.50 advertised)

2 Sunday 29th June

Blue Mountains Train and bus trip and short bushwalking with expert guide \$47 (either going down *Railway* or going up *Cableway*) \$10 less if you want to walk all the way.

[A winter beach BBQ party is planned for July too.]

3 The snow has finally fallen but we need another fall or two of the white stuff to make the planned July 5-6 trip worthwhile. Wait for more information to see how much more snow has fallen, so that those who want to ski or snowboard in Australia in a fun, cheap group can do so.

So, if you want to go to the Oztrek tour at the Centrepoint Tower or the Blue Mountains then meet at 189 Kent Street at 3pm and we will all walk there. The whole fun activity will take about 2.0 hours.

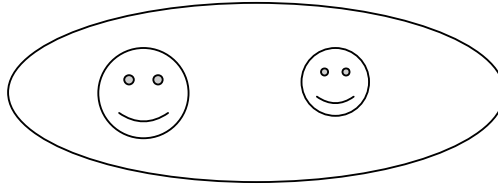

For the Blue Mountains trip meet at Central station at about 8am (wait at Platform 1) Returning at about 6pm.
