conditions of enrolment

Enrolment Fee & Tuition Fees

The Enrolment Fee is non-refundable.

If your application for an Australian visa is rejected, the College will refund 100% of your tuition fees after receiving evidence from the relevant Australian authority that your visa application was refused.

If the College receives written notification from you that you wish to cancel your course, the following conditions will apply:

- When the College receives written notification 28 days or more before the course begins, the College will refund 100% of your tuition fees or transfer 100% of your tuition fees to a later course.
- When the College receives written notification less than 28 days before the course begins, the College will refund 75% of your tuition fees or transfer 75% of your tuition fees to a later course.

No refund of tuition fees will be paid once the course in which you are enrolled has commenced.

If the College cannot provide the advertised course for which you are enrolled, the College will refund 100% of your tuition fees for that course.

Homestay & Airport Pick-up Fees

The Homestay Placement Fee is non-refundable.

If your application for an Australian visa is rejected, the College will refund 100% of your homestay and airport pick-up fees after receiving evidence from the relevant Australian authority that your visa application was refused.

If you book an airport pick-up, the College must receive your flight details one week prior to your arrival in Sydney. If your flight details change and you do not give the College 24 hours notice, the College may require you to pay an additional airport pick-up fee.

If you cancel your homestay request less than two weeks before you begin your homestay, you will be liable for two weeks rent.

If you wish to leave your homestay at any time, you must give at least two weeks notice or pay two weeks rent in lieu of notice.

The College reserves the right to provide a student's personal information to Commonwealth and State agencies and the ESOS Assurance Fund Manager as necessary.

The College has a process for resolving disputes. This process does not circumscribe the student's right to take further action under Australia's consumer protection laws or to pursue other legal remedies.
